

Statement of Achievement

John Ullyses Doniego

has successfully achieved student level credential for completing English for IT: Advice and Time, provided by Cisco Networking Academy in collaboration with OpenEDG.

The graduate is able to proficiently:

- Use modal verbs to give advice, make suggestions, express obligation, and ask for help in familiar IT-related contexts.
- Use modal verbs that describe past impossibility, inability, or hypothetical actions in digital and IT-related situations.
- Use the present continuous tense to describe temporary actions, ongoing processes, unusual situations, and planned future activities in IT-related contexts.
- Apply perfect tenses (present, past, and future) to describe experiences, completed actions, and events with relevance to different points in time within IT-related contexts.
- Apply conditional sentence structures and imperative forms to describe offers, advice, and outcomes in various IT scenarios.
